

11th February – Topic Learning

Wednesday, February 03, 2021 11:42 AM

Good afternoon - we are coming to the end of our topic - this means that we can reflect and think back on what we have been learning.

Thursday, 11th February, 2021

History - Can I identify what I have learnt?

Skill - Review and reflect on my own learning

STEPS TO SUCCESS

I can reflect on my own learning.

I can look back and explain what new learning I have completed.

Unlock Questions

What do you now know that you didn't know at the start of term?

What has been your favourite part of our learning? Why?

Unlock Questions
What I've Learnt!

Science - What might the Black Death(Plague) have been?

Geography/Science - Why would illness spread so quickly in London?

History - What might life have been like for rich and poor people in medieval England (think about knights too)?

History/Science - How might people have tried to cure the plague?

Task

Think back over this half terms learning and all that you have learnt.

Can you create a poster/booklet/powerpoint which shows what you have learnt. This can summarise your ideas - use text boxes, diagrams etc to engage the reader.

It would be great to display these in school when we return.

REMEMBER!

This piece of learning needs to show the **PROGRESS** you have made!

This is a chance to explain which have been your favourite bits of learning and really show off all the knowledge and facts which you have learnt.

New Topic - Our new topic is called

Stargazers

What do you think that this topic could be about?

Write down your predictions on a post-it note

If you can make your predictions - you can type them below or write them on a piece of paper

My prediction is.....

Here are the unlock questions for our new topic;

Unlock Questions
What I Know! 
Science - What are the planets in our solar system and how do they move?
Science - What is the Moon and how does it move?
Science - How does gravity affect objects, including planets?
History - Who are the significant people linked to our understanding of the solar system?
D&T - How can you attach materials?

Your task - look at the unlock questions and create you "What I know" page - try to answer the questions using what you already know or what you think the answers could be (please don't look them up on Google or similar search engines)
