

25th February – Creative Learning

Wednesday, February 10, 2021 9:23 PM

Today we will be learning about a scientist.

Can you think of any scientists that you know?

A -

Can you think of their names or why they are famous?

A -

Thursday 25th February 2021
History - Who was Galileo Galilei?
Skill - Explaining why people are significant

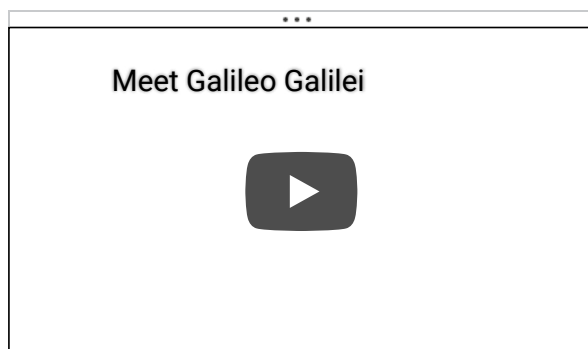

STEPS TO SUCCESS
I can explain who Galileo was.
I can find facts about his life and work.
I can explain why his work was significant.

Activating Prior Knowledge
What significant, historical people do you already know?

What can we find out about Galileo Galilei?

Watch these videos;

[Meet Galileo Galilei](#)

Type -<https://www.youtube.com/watch?v=K5vezYaOpC4>

<https://www.bbc.co.uk/teach/class-clips-video/science-ks2-the-work-of-galileo-galilei/zh69t39>

Who was he?

A -

When was he born?

A -

Where did he live?

A -

What other questions could you ask?

A -

Your challenge for today:

Title/Heading
Sub-headings
Bullet points
Facts
Diagrams/pictures/captions

Introduction
Early Life/School Days
Personal Life
Awards and Achievements

Mild
Create a mind map of information about Galileo, including pictures and diagrams if you wish.

Hot
Write a non-chronological report about Galileo and his important role as a scientist of space.
What will this look like in your book?

Flamin' Hot
Write a biography of Galileo. Try to use this structure to help you.

Think how you will present your learning.
