Diary of Little Red Riding Hood

Saturday 4th May

Dear diary,

You are not going to believe the day I have had! First thing this morning, my mum told me I had to take some cakes to my poorly granny. I secretly wanted to stay and play in the garden but I felt bad for poor Granny so, I grumpily agreed. It was such a beautiful day as I walked through the woods, I just had to stop and pick some lovely red flowers.

Then suddenly, a wolf appeared from behind a tree! He was very charming and told me a shortcut to get to granny's house.

I thought he seemed very clever so I stupidly believed him.

Finally, I got to Granny's house and I knew at once something strange was going on. Granny didn't look like herself at all. I asked Granny a lot of questions and just in time I worked out it wasn't Granny at all!

Next, a kind woodcutter came and helped me uncover the wolf and rescue poor granny. I felt very scared but I knew I had to be brave.

After that, the woodcutter took me home and Mum couldn't believe the adventure I'd had. Now it's well past my bedtime and I am very tired. I don't think I'll ever trust a wolf again!

Little Red Riding Hood

Hot- Have a think about these questions-

Who is writing the diary?

What words does she use to show she is writing the diary?

Is the diary written in time order?

Is the diary written in the past or present tense? How do you know?

Past- it has already happened

Present- it is happening now
