

# Music- Tuesday 12th January

Thursday, January 07, 2021 10:11 AM

Hello everyone, it's Mrs Thoroughgood here. I hope that you're all well and staying safe at home. I am super excited to be doing music learning with you online. We always have so much fun in music at school so I am hoping you will all have fun at home doing it.

Audio  
Recording

I have attached audio recordings for you to play throughout.

remote  
learning ...

A worksheet titled 'Body Percussion' with two sections. The top section features a cartoon girl and boy, a question 'Can you remember what body percussion is?', and an answer: 'Body percussion is making sounds using different parts of our body.' The bottom section features two hands and a question 'What noises can you make with your fingers or hands?' and an instruction: 'Show a grown-up or a teddy.' There are two 'Audio Recording' icons on the page.

**Body Percussion**  
Let's use our bodies to make sounds!

Can you remember what body percussion is?

Body percussion is making sounds using different parts of our body.

*twinkl*

**What noises can you make with your fingers or hands?**

Show a grown-up or a teddy.

*twinkl*

Can you...?

Clap! Snap! Click! Tap

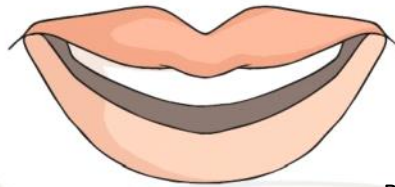

Audio  
Recording

Can you make a  
repeating pattern?

How can you change the repeating pattern?

What noises can you make  
with your mouth?

Audio  
Recording

Can you...?  
Pop! Shhhhhhh! Hum

Challenge - can you try and beatbox?

Audio Recording

What sounds can you make with your feet?

Challenge - how can you change the tempo (speed) or the beat of the body percussion?

Audio Recording

Can you...?  
Stomp! Stomp! Tap!

How can you change the tempo (speed) of the sounds?

Audio Recording

Can you think of any other sounds you can make with different parts of your body?

Audio  
Recording

Can you make a video of you using body percussion and send it in, we would love to see them.
