Which is your favorite and why?

Now it is your turn. You are going to recreate one of these portraits.

You can draw, sketch or create a 3d model.

**See what you have at home. Remember use your chosen materials creatively.**

Mrs Ford may have a go at decorating her crown with either sequins,

buttons or colored paper.

However, Miss Williams may sketch her chosen portrait and use coloured pencils add detail.

Some of you may be inspired by one of the artist we have looked at and use fruit arranged to portray the monarch.

Can you remember that artist name who used fruit?

**Please start to collect empty boxes, tubes and other objects for future projects**
