TBQ: Can I use my story map to verbally tell my story?

Steps to Success:

I can talk about what happens in my story.

I can say sentences that make sense.

I can tell a simple story with a beginning, middle and end.

I can use expression when telling my story.

Look at your story maps from yesterday. Can you remember what happens in your story?

I am going to look at my story map and begin to tell the story out loud.

I have added lots of description.

I have used 'and' to link my sentences.

One sunny day Sarah and her mum caught a big red bus into London. When they got off the bus they could hear lots and lots of people and see many tall buildings.

If you have the technology

If you do not have the technology to do this then tell your Grown Up your story and they can let us know how amazing you are 😊
